To be selected for a SHRS Merit Scholarship, demonstrated financial need will be considered. Financial need is determined by the Office of Admissions and Financial Aid (OFA) based on the filing of the Free Application for Federal Student Aid (FAFSA). Please note that by submitting this application, you understand that your financial need information will be shared with the SHRS Executive Committee in order to make a comprehensive decision on scholarship recipients.

International students that are ineligible to file a FAFSA should still complete this scholarship application.

SHRS Merit Scholarships require a student to have a 3.5 GPA at the conclusion of the Fall term. If you currently have a GPA that is less than 3.5, but believe that you will raise it by the end of the term, you are still encouraged to apply. Students who do not meet the GPA requirement by the end of the Fall term will not have their applications reviewed by the SHRS Executive Committee.

Please describe a specific event, interaction or educational experience that you had as an SHRS Student and discuss how it has impacted your preparation as a future health professional. For example, it could be an experience from a class as an assignment or something that occurred in the local or global community that significantly influences you. ⓘ
