Important Notes

Important Notes Eligibility for Pennsylvania tuition (in-state rates) is governed by the University's Policy on PA Residency Classification. Please see https://payments.pitt.edu/pa-tuition-rate-eligibility/ for more information
The University's Student Payment Center will generate a bill for "Tuition and Fees." Bills are generated for each term (Fall, Spring, and Summer). Additional information can be found at https://payments.pitt.edu/
Tuition and fees found here are estimated in projecting future tuition and fees. The University publishes graduate tuition and mandatory fees at https://www.ir.pitt.edu/tuition-rates-and-fees/graduate-tuition-and-mandatory-fees
Additional fees and incidental costs are estimated and will vary per student. They are paid directly by the student to other parties other than the University of Pittsburgh and may not occur during the term specified above
Costs above do not include health insurance costs, which students are required to maintain throughout the program, as well as housing and meals.

Financial aid may be available for tuition, fees, and incidental costs. See https://financialaid.pitt.edu/ for more information.

Exact tuition is usually finalized in July and published at https://www.ir.pitt.edu/tuition-rates-and-fees 2024-2025 in-state full time tuition = \$30,894 for fall plus spring 2024-2025 per credit for in-state = \$1,255/credit for those less than full time

^{*}Cost will vary by externship site's requirements

^{**}Cost will vary based on insurance coverage and prices for titers/immunizations/TB tests
